Form Filling Assistance

BLS provides assistance to applicants in filling out Visa Application Forms. Applicants may avail this service through our trained staff at our application Center. Please note that it is purely an optional service

It may be noted that our staff will read out the questions on the application form, and will record the answers as dictated by the applicant. Applicants will need to answer all the questions on the form in order to submit their Visa Application. BLS Staff will not be able to answer questions on an applicant's behalf or fill in questions based on any assumptions.

BLS shall have no liability for loss, delays or non-issuance of any application arising from or in connection with (to include but not restricted to) incomplete application forms, incorrectly or falsely completed application forms, and inaccurate or incomplete supporting documentation.

The decision on the Visa Application Form is solely at the discretion of the Embassy of Spain and BLS shall not have any liability towards any applicant availing the Form Filling Assistance in the event of their visa application being rejected.

I, hereby declare that I have understood and agree with the above-mentioned terms and conditions
